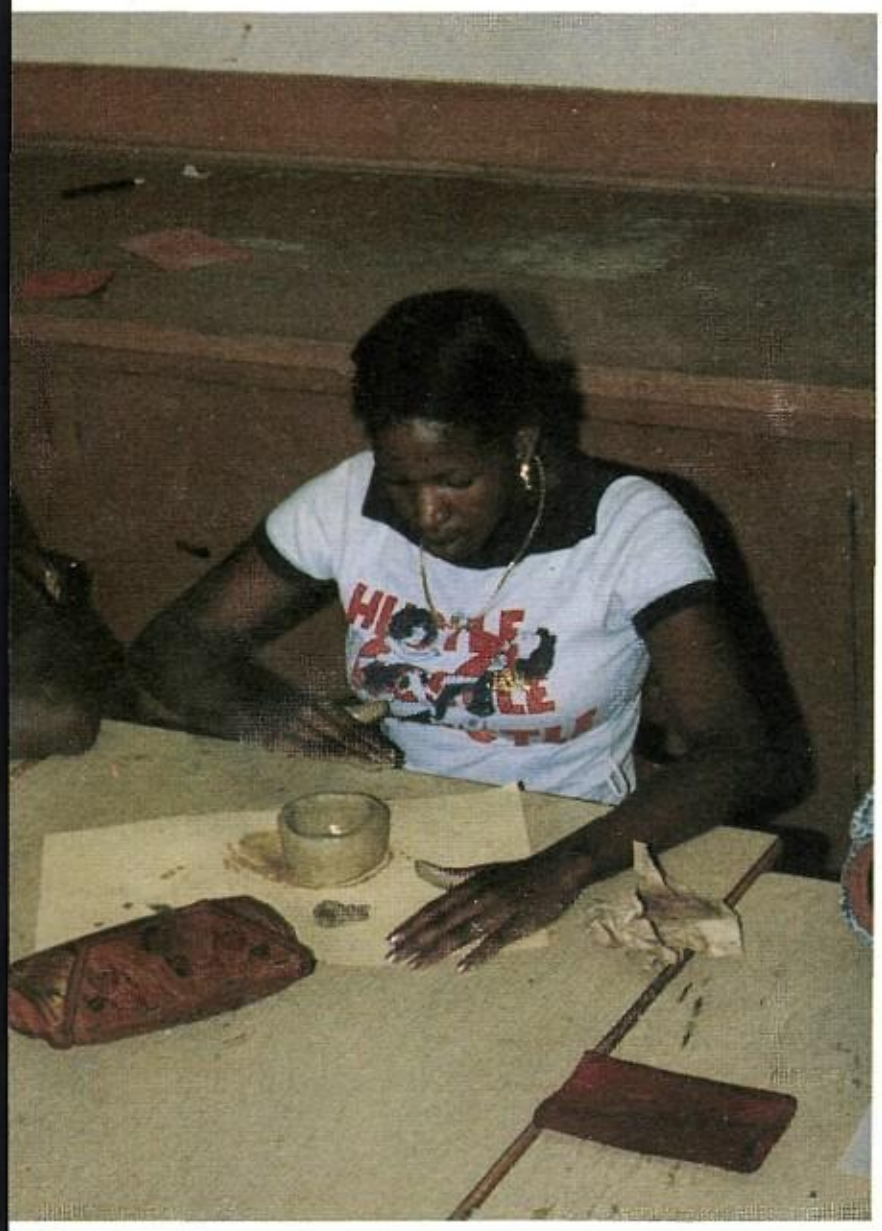
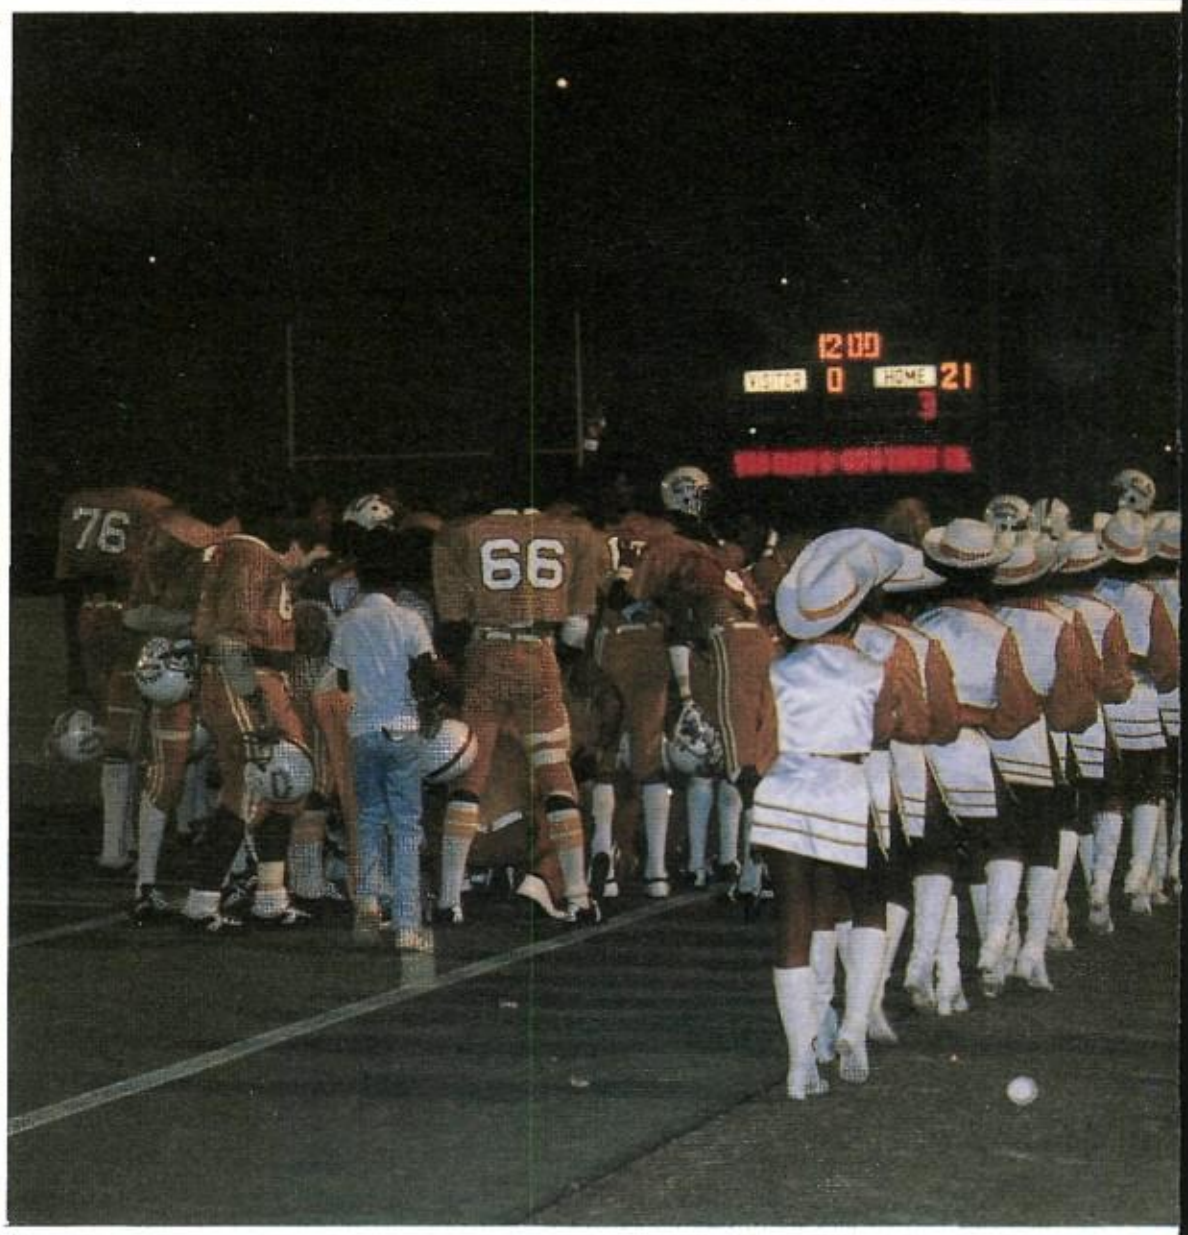
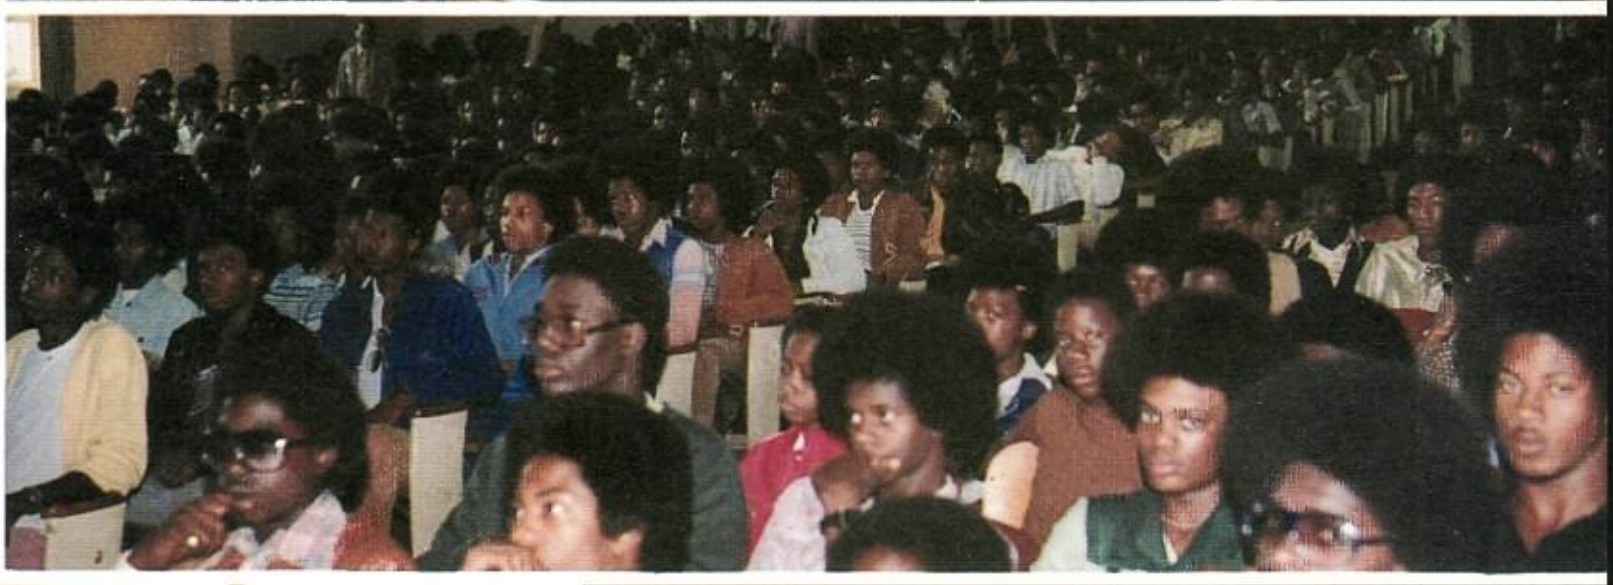
IT'S SO HARD TO SAY





GOODBYE TO YESTERDAY

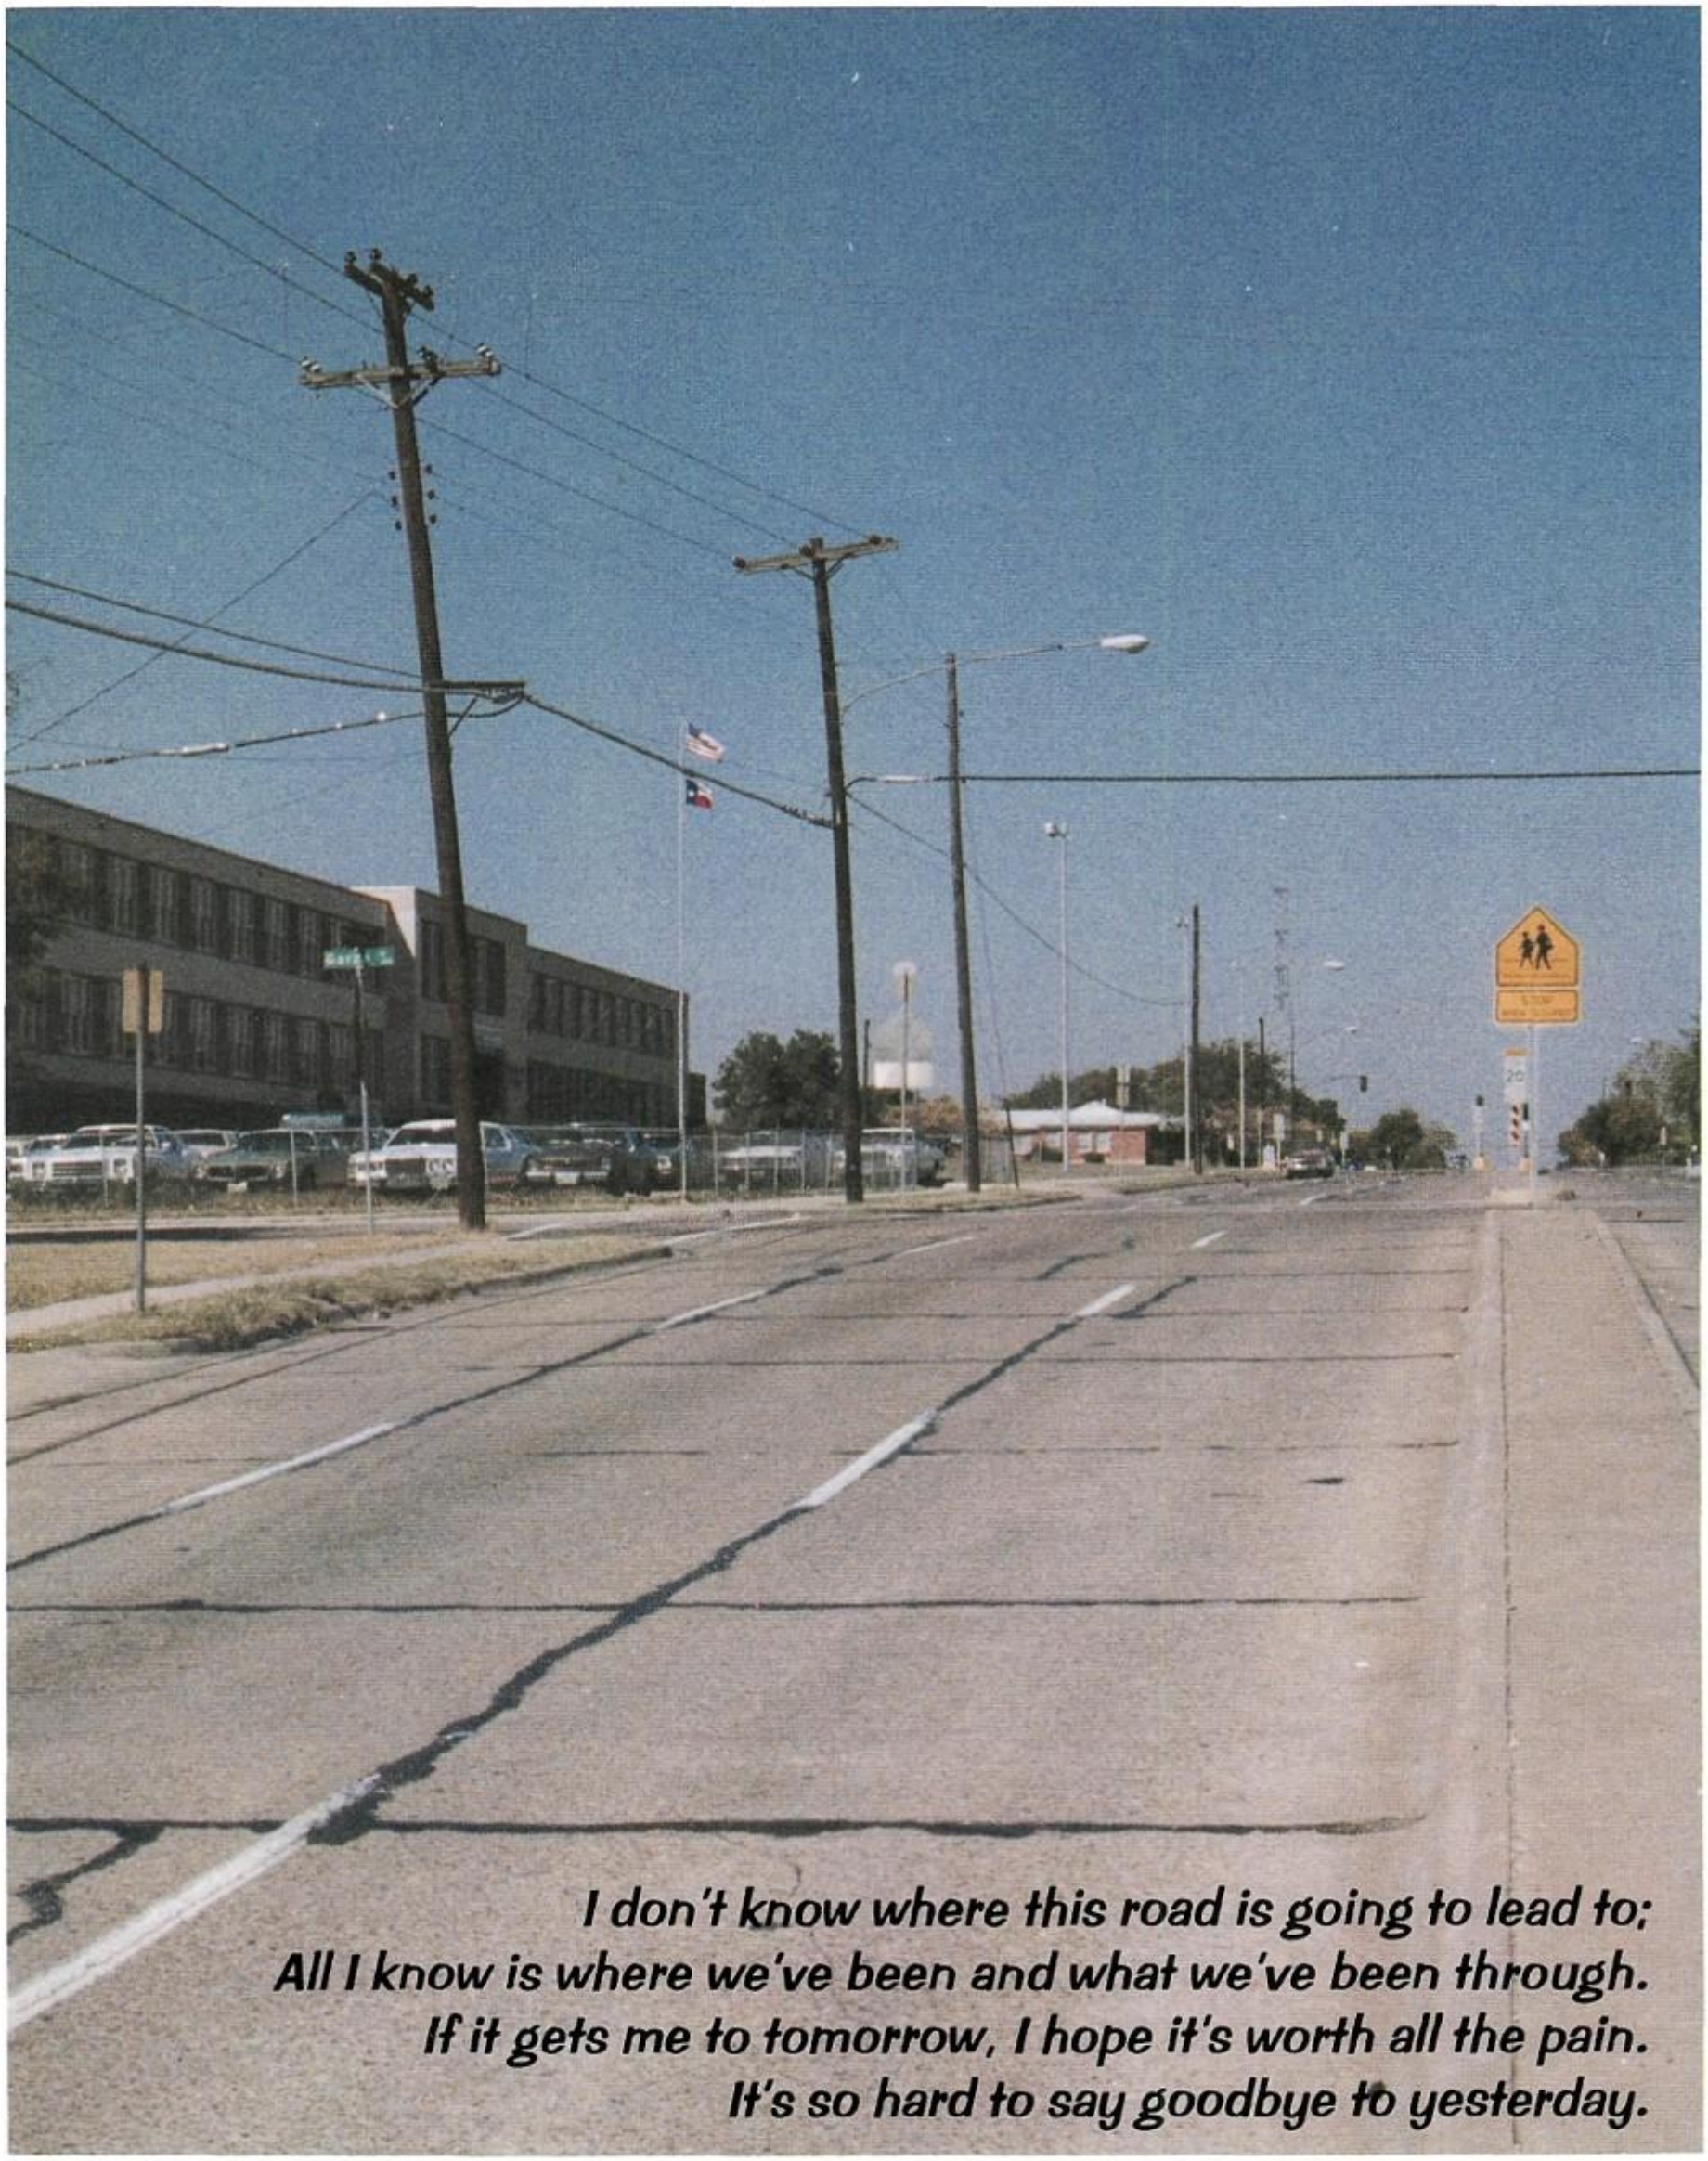


Dedication

It is with honor, pride, love and respect that we dedicate the 1978 Golden Bear to Mrs. A. C. Williams, the head of the English Department at South Oak Cliff High School.

The Golden Bear staff welcomes the opportunity to recognize one whose dedication to her job and concern for her "sons and daughters" at South Oak Cliff have set an example for all of us whose lives she has touched.

Thank you, Mrs. Williams, for caring, and thank you for loving us.



I don't know where this road is going to lead to;
All I know is where we've been and what we've been through.
If it gets me to tomorrow, I hope it's worth all the pain.
It's so hard to say goodbye to yesterday.

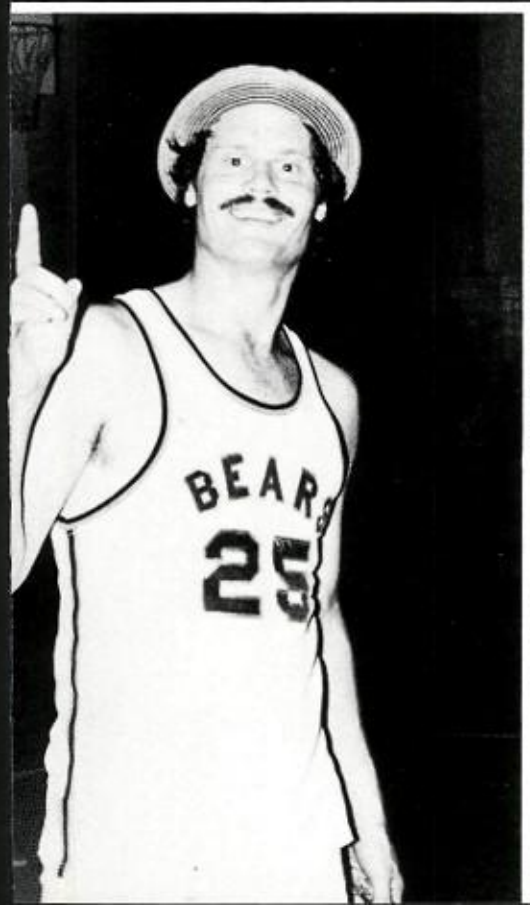
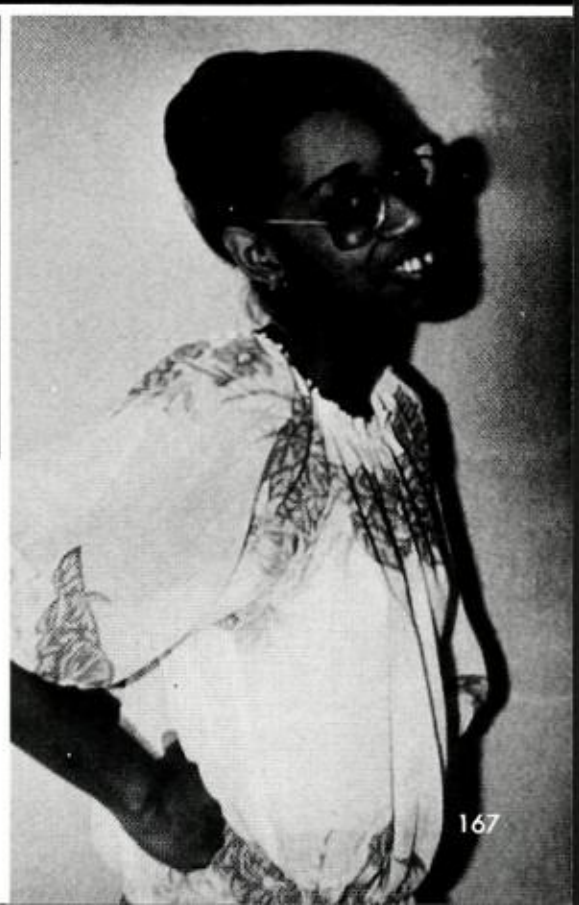
Closing





IN MEMORIAM

As we go to press with the last installment of the 1978 Golden Bear, we have learned of the death of Mr. Buddy Stevenson.

We are sure those who knew him join us in our regret at his passing and understand our inability to put into words some statement that reflects the enormity of this loss to South Oak Cliff High School.

We offer our support and sympathy to his family that they might draw comfort from our recognition of the kind of man he was.

We who respected him will carry his memory as an example of strength, sincerity, honesty, and dedication.

Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we do it all for you.
